Market Leaders Share Supply Chain Expertise, Strategies

Atlanta, GA - May 1, 2007 - Leading supply chain solutions provider, Manhattan Associates, Inc. (NASDAQ: MANH), today announced that more than 30 customers will participate and speak to global supply chain innovation at Manhattan Associates' "Momentum 2007 - Value Through Innovation." This annual industry conference will feature expert presentations from leading companies and supply chain executives representing a wide variety of industries and markets.

"Our customers are supply chain leaders and market experts. They will be sharing the same knowledge and expertise they've used to transform their industries with their peers at this year's three-day event," said Pete Sinisgalli, Manhattan Associates' president and CEO. "We all want to learn from the best and brightest, and that is exactly who will be featured at Momentum this year," he added.

In addition to presentations from key supply chain executives such as Tracy Rosser of Wal-Mart, customers and partners participating include leading companies from the retail industry such as Williams-Sonoma, Guess, David's Bridal, Vera Bradley, Neiman Marcus, Chico's, VF Corporation, Avon, Blair, Cabela's, The Children's Place, Nautica, Patagonia, Cornerstone, ASICS, Timberland and Totes. Major third-party logistics companies and medical/pharmaceutical companies that will be represented include UPS, DHL, Amerisource Bergen, Harvard Drug and HoMedics.
