ARC Advisory Group produces its warehouse management market study on an annual basis. The study follows more than 50 suppliers of WMS solutions and gives a detailed analysis and forecast for the marketplace through 2017.

"Manhattan Associates was the worldwide market share leading supplier of WMS solutions in 2012, as it has been for the last decade," said Clint Reiser, Enterprise Software Analyst at ARC. "Manhattan recently introduced a variety of enhancements to the core architecture that are capable of reducing total cost of ownership and increasing system flexibility."

Manhattan led in 18 of the 36 categories tracked by ARC, including:

- WMS Worldwide
- WMS to Tier 1 Customers
- WMS for Retail
- WMS for Apparel Retailers
- WMS for Grocery/Food & Beverage Retailers
- WMS for Wholesale & Distribution

"Our ranking by ARC helps validate our dedication to developing solutions that bring companies closer to customers," said Eddie Capel, president and chief executive officer, Manhattan Associates. "Warehouse Management is a key execution component of our Supply Chain Commerce solutions, designed to balance performance and profit while growing revenue and relationships on a common technology platform."
