Proxy Statement

**Annual Meeting of Shareholders
To Be Held May 30, 2008**

INFORMATION CONCERNING SOLICITATION AND VOTING

Shareholders Meeting

This Proxy Statement and the enclosed proxy card (“Proxy”) are furnished on behalf of the Board of Directors of Manhattan Associates, Inc., a Georgia corporation (the “Company,” “our” or “we”), to solicit proxies for use at the Annual Meeting of Shareholders to be held on Friday, May 30, 2008, at 9:00 a.m., Atlanta, Georgia time (the “Annual Meeting”), or at any adjournment or postponement thereof, for the purposes set forth herein and in the accompanying Notice of Annual Meeting. The Annual Meeting will be held at 2300 Windy Ridge Parkway, Atlanta, Georgia 30339. The Company intends to mail this Proxy Statement and the accompanying Proxy on or about April 29, 2008, to all shareholders entitled to vote at the Annual Meeting.

Shareholders Entitled to Vote

Only holders of record of the Company’s \$.01 par value per share common stock (the “Common Stock”) at the close of business on March 31, 2008 will be entitled to notice of and to vote at the Annual Meeting. At the close of business on March 31, 2008, the Company had outstanding and entitled to vote 24,576,923 shares of Common Stock. Each holder of record of Common Stock on such date will be entitled to one vote for each share held on all matters to be voted upon at the Annual Meeting. Any shareholder who signs and returns a Proxy has the power to revoke it at any time before it is voted at the Annual Meeting by providing written notice of revocation to the Secretary of the Company, by filing with the Secretary of the Company a Proxy bearing a later date, or by voting through the Internet or by telephone or in person at the Annual Meeting. The holders of a majority of the total shares of Common Stock outstanding on the record date, whether present at the Annual Meeting in person, voting through the Internet or telephone or represented by Proxy, will constitute a quorum for the transaction of business at the Annual Meeting. Abstentions and broker non-votes both will be counted toward fulfillment of quorum requirements. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that proposal and has not received instructions from the beneficial owner.

Counting of Votes

The purpose of the Annual Meeting is to consider and act upon the matters that are listed in the accompanying Notice of Annual Meeting and set forth in this Proxy Statement. The enclosed Proxy and other voting methods described in the Proxy provide a means for a shareholder to vote upon each of the matters listed in the accompanying Notice of Annual Meeting and described in the Proxy Statement, including a means for a shareholder to vote for all of the nominees for Director listed thereon or to withhold authority to vote for one or more of such nominees. The Company’s Bylaws provide that Directors are elected by a plurality of the votes cast—that is, the nominees who receive the most votes for the available directorships will be elected as Directors.

[Table of Contents](#)

The accompanying Proxy and other voting methods described in the Proxy also provide a means for a shareholder to vote for, against or abstain from voting on the other matters to be acted upon at the Annual Meeting. Each Proxy will be voted in accordance with the shareholder's directions. Assuming a quorum is present, ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2008 and approval of any other matters as may properly come before the meeting require that the votes cast in favor of the matter exceed the votes cast against the matter. Abstentions and broker non-votes are not considered "votes cast" and therefore will have no effect on the results of the vote with respect to such proposals.

Proxies

When the enclosed Proxy is properly signed and returned, or submitted via Internet or telephone as described on the Proxy, the shares that it represents will be voted at the Annual Meeting in accordance with the instructions noted thereon. In the absence of such instructions, the shares represented by a signed Proxy will be voted in favor of the nominees for election to the Board of Directors and in favor of ratification of the appointment of our independent registered public accounting firm.

Proxy Solicitation Costs

The Company will bear the entire cost of soliciting proxies to be voted at the Annual Meeting, including the preparation, printing and mailing of proxy materials. In addition to the solicitation of proxies by mail, solicitation may be made by certain directors, officers and other employees of the Company by personal interview, telephone, telegram or facsimile. No additional compensation will be paid to such persons for such solicitation. We have also hired Georgeson, Inc. to distribute and solicit proxies. We will pay Georgeson, Inc. \$6,500, plus reasonable expenses, for these services. The Company will reimburse brokers, banks and other nominees for their reasonable out-of-pocket expenses for forwarding the proxy materials to their customers who are beneficial owners.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth the amount and percent of shares of Common Stock that, as of December 31, 2007, unless a different date is noted below, are deemed under the rules of the Securities and Exchange Commission (the “SEC” or “Commission”) to be “beneficially owned” by each member of the Board of Directors of the Company, by each nominee to become a member of the Board of Directors, by each Named Executive Officer of the Company (as defined on page 14 herein), by all directors and executive officers of the Company as a group, and by any person or “group” (as that term is used in the Securities Act of 1934, as amended) known to the Company as of that date to be a “beneficial owner” of more than 5% of the outstanding shares of Common Stock.

without the presence of non-independent directors or management. The Board's standing independent committees also regularly meet without management present.

During the fiscal year ended December 31, 2007, the Board of Directors held five meetings. All of the incumbent directors attended at least 75% of the aggregate total number of meetings of the Board of Directors and meetings of committees of the Board of Directors on which they served that occurred during the portion of fiscal year 2007 during which each served as a director. Our Directors are invited to the annual meeting of shareholders, and one Director attended our 2007 annual meeting.

Director Compensation

The non-employee Chairman of the Board of Directors receives an annual retainer of \$150,000, payable in monthly installments on the first business day of each month. Non-employee members of the Board of Directors receive an annual retainer of \$35,000 payable in quarterly installments on the first business day of each quarter. All non-employee members of the Board of Directors received \$1,500 for each board meeting attended in 2007 and \$1,500 for each committee meeting held independently of a board meeting. In 2007, we granted to each non-employee director stock options to purchase 2,500 shares of Common Stock and 833 shares of Common Stock at the beginning of each quarter during which they served as a director. All of these options have an exercise price equal to the fair market value of the Common Stock on the date of grant, are exercisable immediately and have a term of seven years, and the shares vested immediately upon grant. Any non-employee director who joins the Board of Directors is entitled to a one time grant of \$30,000 of restricted stock, vesting in equal installments over the remainder of the director's initial elected term (Messrs. Lautenbach and Kight received such grants in 2007 upon joining the Board).

Board of Directors Committees

The Board of Directors has established three permanent committees that have certain responsibilities for our governance and management. They include the Audit Committee, the Compensation Committee and the Nomination and Governance Committee. The Board has adopted charters for the Audit Committee, Compensation Committee and Nomination and Governance Committee which can be found in the Investor Relations section of our web site at www.manh.com.

Audit Committee. During 2007, the Audit Committee consisted of Messrs. Huntz, Goodwin, Lautenbach and Noonan. Mr. Huntz serves as Chairman of the Audit Committee. The Board of Directors has determined that each member of the Audit Committee meets the independence and experience requirements applicable to members of the Audit Committee of a Nasdaq-traded company, as well as the Audit Committee independence standards established by the Securities and Exchange Commission (the "SEC"). Further, the Board has determined that Messrs. Huntz, Goodwin and Noonan are "audit committee financial experts," as defined by the rules of the SEC. Among other responsibilities, the Audit Committee recommends to the Board the selection and discharge of our independent registered public accounting firm, reviews the scope of the audit to be conducted by them, as well as the results of their audit, and reviews our internal controls and financial statements. The Audit Committee also reviews and discusses with management and our independent registered public accounting major financial risk exposure and steps management has taken to monitor and control such exposure. During the fiscal year ended December 31, 2007, the Audit Committee met four times.

Compensation Committee. During 2007, the Compensation Committee consisted of Messrs. Noonan, Cassidy, Huntz and Kight. Mr. Noonan serves as Chairman of the Compensation Committee. The Board of Directors has determined that all members of the Compensation Committee meet the independence requirements of the Nasdaq corporate governance rules. The Compensation Committee approves the compensation of all of our executive officers, including the Chief Executive Officer, reviews compensation plans of all directors, officers and other key executives and makes recommendations concerning these matters to the Board of Directors. The Compensation Committee also administers our stock option plans and establishes the terms and conditions of all stock options granted under these plans.

During the fiscal year ended December 31, 2007, the Compensation Committee met five times. In setting compensation during those meetings, the Compensation Committee drew upon compensation information with respect to the Company's executive officers as well as publicly available compensation information for the Company's peers and other compensation information available to members of the committee.

Nominating and Governance Committee. Established on July 17, 2003, our Nominating and Governance Committee (the "Nominating Committee") consists of Messrs. Goodwin, Cassidy and Huntz. Mr. Goodwin serves as Chairman of the Nominating Committee. The Board of Directors has determined that all members of the Nominating Committee meet the independence requirements of the Nasdaq corporate governance rules. The Nominating Committee is appointed by the Board of Directors to identify and assist in recruiting outstanding individuals who qualify to serve as Board members and to recommend that the Board select a slate of director nominees for election by our shareholders at each annual meeting of our shareholders in accordance with our Articles of Incorporation, Bylaws and Georgia law; to recommend directors for appointment to each Board committee; to review the performance of the Board and its committees and make appropriate recommendations; and to oversee our corporate governance guidelines and periodically re-evaluate such corporate governance guidelines for the purpose of suggesting changes if appropriate. During the fiscal year ended December 31, 2007, the Nominating Committee met four times.

[Table of Contents](#)

In accordance with the provisions of our Bylaws, shareholders may directly nominate prospective director candidates by delivering to our Corporate Secretary certain information about the nominee not less than 60 days prior to the meeting as originally scheduled, or if less than 70 days notice or prior public disclosure of the date of the scheduled meeting is given or made, delivery of notice to the Company not later than the tenth day following the earlier of the day on which notice of the date of the meeting is mailed to shareholders or public disclosure of the date of such meeting is made. The Nominating Committee has not adopted a formal policy with regard to consideration of any director candidate nominated by shareholders for inclusion in the Board's slate. The Nominating Committee believes that such a policy is not necessary or appropriate because of the shareholders' ability to directly nominate director candidates for the Board.

In identifying qualified individuals to become members of the Board of Directors, the Nominating Committee selects candidates whose attributes it believes would be most beneficial to the Company. The Nominating Committee evaluates each individual's experience, integrity, competence, diversity, skills and dedication in the context of the needs of the Board of Directors. The Committee generally identifies director nominees through the personal, business and organizational contacts of existing directors and management. However, the Committee may use a variety of sources to identify director nominees, including third-party search firms, counsel, advisors and shareholder recommendations.

Code of Ethics

Our Board of Directors has adopted a Code of Business Conduct and Ethics that is applicable to all members of our Board of Directors, our executive officers and our employees. We have posted the Code of Business Conduct and Ethics policy in the Investor Relations section of our web site at www.manh.com. If, in the future, we amend, modify or waive a provision in the Code of Business Conduct and Ethics, we may, rather than file a Form 8-K, satisfy the disclosure requirement under Item 5.05 of Form 8-K by posting such information on our web site as necessary.

COMPENSATION DISCUSSION AND ANALYSIS

General

The Compensation Committee of the Company's Board of Directors (the "Committee") has furnished the following discussion and analysis on executive compensation in accordance with the rules and regulations of the Securities and Exchange Commission. This discussion and analysis outlines the duties of the Committee with respect to executive compensation, the various components of the Company's compensation program for executive officers and other key employees, and the basis on which the 2007 compensation was determined for the executive officers of the Company, with particular detail given to the 2007 compensation for the Company's Chairman of the Board and Chief Executive Officer.

Compensation of Executive Officers Generally

The Committee is responsible for establishing compensation levels for the executive officers of the Company, including the annual bonus plan for executive officers and for administering the Company's Stock Incentive Plan. The Committee is currently comprised of four non-employee directors: Messrs. Noonan (Chairman), Cassidy, Huntz and Lautenbach. The Committee's overall objective is to establish a compensation policy that will (i) attract, retain and reward executives who contribute to achieving the Company's business objectives; (ii) motivate executives to obtain these objectives; and (iii) align the interests of executives with those of the Company's long-term investors. The Company compensates executive officers with a combination of salary and incentives designed to focus their efforts on maximizing both the near-term and long-term financial performance of the Company. In addition, the Company's compensation program rewards individual performance that furthers Company goals. The executive compensation program includes the following: (i) base salary; (ii) incentive bonuses; (iii) long-term equity incentive awards in the form of stock option grants; and (iv) other benefits. Each executive officer's compensation package is designed to provide an appropriately weighted mix of these elements, which the Company believes cumulatively provide a level of compensation roughly equivalent to that paid by companies of similar size and complexity.

Base Salary. Base Salary levels for each of the Company's executive officers, including the Chief Executive Officer, are generally set within a range of base salaries that the Committee believes are paid to similar executive officers at companies deemed comparable based on the similarity in revenue level, industry segment and competitive employment market to the Company. In addition, the Committee generally takes into account the Company's past financial performance and future expectations, the performance of the executives, changes in the executives' responsibilities, and cost-of-living and other local and geographic considerations.

Incentive Bonuses. The Committee recommends the payment of bonuses to provide an incentive to executive officers to be productive over the course of each fiscal year. Incentive bonuses for 2007 were earned based on the Company achieving certain earnings per share and revenue objectives.

Equity Incentives. Stock incentives are used by the Company for payment of long-term compensation to provide a stock-based incentive to improve the Company's financial performance and to assist in the recruitment, retention and motivation of professional, managerial and other personnel. Stock incentives include but are not

[Table of Contents](#)

limited to stock option awards and restricted stock awards. Generally, stock incentives are granted to executive officers from time to time based primarily upon the individual's actual and/or potential contributions to the Company and the Company's financial performance. Stock incentives are designed to align the interests of the Company's executive officers with those of its shareholders by encouraging executive officers to enhance the value of the Company, the price of the Common Stock, and hence, the shareholders' return. In addition, the vesting of stock options over a period of time is designed to create an incentive for the individual to remain with the Company. The Company has granted options and restricted stock to the executives on an ongoing basis to provide continuing incentives to the executives to meet future performance goals and to remain with the Company. During the fiscal year ended December 31, 2007, an aggregate of 124,334 shares of restricted Common Stock ("Restricted Stock") and options to purchase 373,000 shares of Common Stock were granted to the Company's Named Executive Officers.

Other Benefits. Benefits offered to the Company's executive officers are provided to serve as a safety net of protection against the financial catastrophes that can result from illness, disability or death. Benefits offered to the Company's executive officers are substantially the same as those offered to all of the Company's regular employees. The Company's tax-qualified deferred compensation 401(k) Savings Plan (the "401(k) Plan") covers all of the Company's eligible full-time employees. Under the 401(k) Plan, participants may elect to contribute, through salary reductions, up to 60% of their annual compensation subject to a maximum of \$15,500. The Company provides additional matching contributions in the amount of 50% up to the first 6% contributed under the 401(k) Plan. The 401(k) Plan is designed to qualify under Section 401 of the Internal Revenue Code so that the contributions by employees or by the Company to the 401(k) Plan, and income earned on plan contributions, are not taxable to employees until withdrawn from the 401(k) Plan, and so that contributions by the Company will be deductible by the Company when made.

Compensation of the Chief Executive Officer

The Committee annually reviews the performance and compensation of the Chief Executive Officer based on its assessment of his past performance and its expectation of his future contributions to the Company's performance.

For the fiscal year ending December 31, 2007, Mr. Sinisgalli's compensation included a salary of \$440,000 and a bonus of \$447,263 based on certain financial criteria of the Company. The Committee believes the compensation paid to Mr. Sinisgalli was reasonable.

Employment Agreements

Mr. Sinisgalli is party to an employment agreement with the Company. In July 2007, the Compensation Committee approved a modification to Mr. Sinisgalli's employment agreement, extending the term of the original agreement to April 12, 2012. Under the agreement as modified, Mr. Sinisgalli is entitled to receive an annual base salary of \$440,000 (prorated for any year of partial service) and a performance-related bonus targeted at \$450,000 per year based on specific criteria as stated in his employment agreement. All of the unvested options and restricted shares will vest if, after a change in control, Mr. Sinisgalli's employment is terminated or constructively terminated, other than for cause, if such termination or constructive termination occurs within two years of the change of control. Under the agreement, Mr. Sinisgalli has agreed to assign to the Company all patents, copyrights and other intellectual property developed by him in the course of his employment. In addition, Mr. Sinisgalli has agreed not to solicit the Company's customers for a period of one year following any termination. In the event of termination of his employment other than for cause or at the expiration of the agreement's term, Mr. Sinisgalli is eligible to receive eighteen months of his then current base salary and will have 90 days in which to exercise his vested stock options.

Policy with Respect to Qualifying Compensation for Deductibility

Section 162(m) of the Internal Revenue Code imposes a limit on tax deductions for annual compensation (other than performance-based compensation) in excess of one million dollars paid by a corporation to its Chief Executive Officer and its other three most highly compensated executive officers. The Company has not established a policy with regard to Section 162(m) of the Code, because the Company does not currently anticipate paying nondeductible compensation in excess of one million dollars per annum to any employee. The Board of Directors will continue to assess the impact of Section 162(m) on its compensation practices and determine what further action, if any, is appropriate.

Limitation of Liability and Indemnification of Officers and Directors

The Company's Articles of Incorporation provide that the liability of the directors to the shareholders for monetary damages shall be limited to the fullest extent permissible under Georgia law. This limitation of liability does not affect the availability of injunctive relief or other equitable remedies.

The Company's Bylaws provide that the Company will indemnify each of its officers, directors, employees and agents to the extent that he or she is or was a party, or is threatened to be made a party, to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative because he or she is or was a director, officer, employee or agent of the Company, against reasonable expenses (including attorneys' fees), judgments, fines and amounts paid in settlement in connection with such action, suit or proceeding; provided, however, that no indemnification shall be made for:

- any appropriation, in violation of his or her duties, of any business opportunity of the Company;
- acts or omissions that involve intentional misconduct or a knowing violation of law;
- any liability under Section 14-2-832 of the Georgia Business Corporation Code, which relates to unlawful payments of dividends and unlawful stock repurchases and redemptions; or
- any transaction from which he or she derived an improper personal benefit.

The Company has entered into indemnification agreements with certain executive officers and directors providing indemnification similar to that provided in the Bylaws.

(A) During the fourth quarter of 2005, the Board of Directors approved an Option Acceleration Agreement that accelerated the vesting of unvested stock options held by our employees with an exercise price of \$22.09 or higher. The accelerated vesting affected options for approximately 765 option holders, representing 1.9 million shares of our common stock. In order to prevent unintended personal benefits to individuals resulting from the accelerated vesting of options, we imposed sales restrictions on shares acquired upon exercise of these options that parallel the vesting requirements of the original options. These sales restrictions on the shares acquired continue following termination of employment until the original vesting dates are reached.

POLICY ON RELATED PARTY TRANSACTIONS

The Company's Code of Business Conduct and Ethics, which is available in the Investor Relations section of our web site at www.manh.com, and its conflicts of interest policy provide generally that the Company's directors, officers and employees must avoid any personal, financial or family interest that could keep such person from acting in our best interest. Approval of the Chief Executive and Chief Legal Officers is needed for such conflicts; however, the Company has a policy that conflicts involving directors or executive officers must be approved by the independent members of the Board of Directors.

AUDIT COMMITTEE REPORT

The Audit Committee is directly responsible for the appointment, compensation and oversight of the Company's independent registered public accounting firm. In this regard, the Audit Committee pre-approves all audit services and non-audit services to be provided to the Company by its independent registered public accounting firm. The Audit Committee may delegate to one or more of its members the authority to grant the approvals. The decision of any member to whom authority is delegated to approve services to be performed by the Company's independent registered public accounting firm is presented to the full Audit Committee at its next scheduled meeting. The Audit Committee may not approve any service that individually or in the aggregate may impair, in the Audit Committee's opinion, the independence of the independent registered public accounting firm.

The Audit Committee of the Board of Directors currently consists of Messrs. Huntz (Chairman), Goodwin, Kight and Noonan, all of whom meet the independence requirements of The Nasdaq Stock Market. The Audit Committee operates pursuant to a written charter adopted by the Board of Directors, the complete text of which is available in its current form in the Investor Relations section of our web site at www.manh.com.

In overseeing the preparation of the Company's financial statements, the Audit Committee met with both management and the Company's independent registered public accounting firm to review and discuss the financial statements prior to their issuance and to discuss significant accounting issues. Management advised the Audit Committee that all financial statements were prepared in accordance with generally accepted accounting principles, and the Committee discussed the statements with both management and the independent registered public accounting firm. The Audit Committee's review included discussion with the independent registered public accounting firm of matters required to be discussed pursuant to Statement on Auditing Standards No. 61 (Communication with Audit Committees), as amended.

[Table of Contents](#)

With respect to the Company's independent registered public accounting firm, the Audit Committee, among other things, discussed with Ernst & Young LLP, matters relating to its independence, including the disclosures made to the Audit Committee as required by the Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees).

The Audit Committee has reviewed and discussed with management its assessment and report on the effectiveness of the Company's internal control over financial reporting as of December 31, 2007, which it made using the criteria set forth by the Committee Sponsoring Organizations of the Treadway Commission in Internal Control — Integrated Framework. The Audit Committee has also reviewed and discussed with Ernst & Young LLP its attestation report on management's assessment of internal control over financial reporting and its review and report on the Company's internal control over financial reporting. The Company published these reports in its Annual Report on Form 10-K for the year ended December 31, 2007.

Based on these reviews and discussions, the Audit Committee recommended to the Board of Directors that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2007.

PROPOSAL 2

**RATIFICATION OF APPOINTMENT OF INDEPENDENT
REGISTERED PUBLIC ACCOUNTING FIRM**

In January 2008, the Board of Directors appointed Ernst & Young LLP to serve as its independent registered public accounting firm for the fiscal year ending December 31, 2008, subject to the submission and approval of a budget for audit and audit related fees for services to be rendered for our 2008 fiscal year. The appointment of Ernst & Young LLP was recommended to the Board by its Audit Committee. In the event shareholders do not ratify the appointment of Ernst & Young LLP as our independent registered public accounting firm for 2008, the Audit Committee will review its future selection of the independent registered public accounting firm. In addition, the Audit Committee, at its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if the Audit Committee believes that a change would be in our best interests and the best interests of our shareholders. A proposal to ratify the appointment will be presented at the Annual Meeting. Representatives of Ernst & Young LLP are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions from shareholders.

Audit and Non-Audit Fees

The following table presents the aggregate fees for professional services rendered by Ernst & Young LLP for each of the last two fiscal years:

	<u>2007</u>	<u>2006</u>
Audit Fees (1)	\$ 1,026,575	\$ 942,051
Audit-Related Fees (2)	—	10,000
Tax Fees (3)	344,793	74,861
All Other Fees (4)	1,500	1,500
Total Fees	<u>\$ 1,372,868</u>	<u>\$ 1,028,412</u>

- (1) Audit fees consisted of charges associated with the annual audit and the audit of internal control over financial reporting, the review of the Company's quarterly reports on Form 10-Q and statutory audits required internationally.
- (2) Audit-related fees principally include due diligence in connection with acquisitions, consultation on accounting and internal control matters, audits in connection with proposed or consummated acquisitions and other attest services.
- (3) Tax fees consisted of charges principally related to services associated with tax compliance, tax planning and tax advice.
- (4) All other fees include charges for products and/or services other than those described above.

The Audit Committee has determined that the provision of non-audit services by Ernst & Young LLP is compatible with maintaining the independence of Ernst & Young LLP.

The Board of Directors recommends a vote **FOR** ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2008.
